Digital Channels (switched to ground)

Channel 1	<input type="text"/>	<input type="text"/>
Channel 2	<input type="text"/>	<input type="text"/>
Channel 3	<input type="text"/>	<input type="text"/>
Channel 4	<input type="text"/>	<input type="text"/>
Channel 5	<input type="text"/>	<input type="text"/>
Channel 6	<input type="text"/>	<input type="text"/>
Channel 7	<input type="text"/>	<input type="text"/>
Channel 8	<input type="text"/>	<input type="text"/>

Stator Configuration

Option	<input type="text"/>
Crank Disc Voltage	<input type="text"/>
Under Voltage	<input type="text"/>
Over Voltage	<input type="text"/>
Under Frequency	<input type="text"/>
Over Frequency	<input type="text"/>
CT Ratio	<input type="text"/> : 1
Over Current	<input type="text"/>

Analog Inputs

		LOW	P-LOW	P-HIGH	HIGH
Channel 1	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Channel 2	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Channel 3	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Channel 4	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

Relay Outputs

Channel 1	<input type="text"/>
Channel 2	<input type="text"/>
Channel 3	<input type="text"/>
Channel 4	<input type="text"/>

GenStart Profile Settings cont.

System Delays

Crank Duration (seconds)	<input type="text"/>
Crank Cycles	<input type="text"/>
Crank Rest (seconds)	<input type="text"/>
Engine Start Delay (seconds)	<input type="text"/>
Alarm Bypass (seconds)	<input type="text"/>
Cool Down Delay (min)	<input type="text"/>
Transfer Ready (seconds)	<input type="text"/>

Battery Monitor

Low Cranking Voltage	<input type="text"/>
Low Battery Voltage	<input type="text"/>
High Battery Voltage	<input type="text"/>

MPU Configuration

Calibration	<input type="text"/>
Crank Disconnect	<input type="text"/>
Under Speed	<input type="text"/>
Over Speed	<input type="text"/>

Customer

Company Name	<input type="text"/>
Generator Model	<input type="text"/>
Customer Name	<input type="text"/>
PO Number	<input type="text"/>

Office Use Only
